RMA LAUNCHES NEW MONTHLY CAREER DEVELOPMENT CATALOG

Beginning early this summer, we are replacing single announcements for our attendance events with one comprehensive brochure. Why? It's easier for you to use, provides "one-stop shopping," and cuts down significantly on the number of pieces of mail we'll need to send you.

Think of it as a partnership between improved customer service and environmentally friendly advertising!

Your first catalog should reach you in July. Our goal is to make access to RMA's products and services as convenient as possible for you. We believe this is a quantum leap forward.

Please let us know what you think about the change or if you'd like a copy of the catalog. Call 800-677-7621, fax 215-446-4100, or e-mail courses@rmahq.org.
